“ Drugs,
The Devastation
Continues”

May 25, 2016

8:15am to 4:15am

Conifer Park

79 Glenridge Road

Glenville, New York 12302

DRUGS, THE DEVASTATION CONTINUES

9:00am to 10:00am

Thomas Hope Foundation

Presented by;

Linda Ventura

Linda Ventura, founder of the Thomas Hope Foundation, lost her son to the disease of addiction. Linda will present how addiction affects the ENTIRE family, the importance of treatment for the entire family; signs and symptoms of a family member using, and what a family member can do to turn loss into hope.

10:00am to 10:30am

A Recovering Addicts Perspective

A recovering nurse shares her personal story of addiction and her road to recovery.

10:45am to 12:00pm

Presented by;

Updates and Resources From OASAS

Peggy Bonneau, Director of Health Initiatives &

Trishia Allen, Senior Attorney at NYS OASAS

This training will provide an update on New York State's efforts to increase access to treatment in response to the heroin and opioid epidemic. The Presentation will cover the Combat Heroin Campaign, as well as the Kitchen Table Tool kit and Talk2Prevent initiatives. Participants will also learn more about multimedia resources created for families and individuals suffering from addiction, to empower them to understand and successfully navigate the SUD treatment system.

1:00pm to 2:00pm

Optional Approaches To MAT

Presented by;

Dr. Frederick Hess

Medical Director of Arms Acres, Carmel, New York

This training will look at opioid pharmacotherapy, focusing on the clinical use of methadone, suboxone, and vivitrol. Dr. Hess focuses on the clinical considerations of each medication, discussing the clinical strategy for matching patients with the appropriate medication, monitoring patients and the importance of combining MAT with ongoing substance abuse treatment to optimize treatment outcomes.

2:00pm to 3:00pm

Update on Emerging Drugs of Abuse

Presented by;

Lee W. Livermore, BAA

Public Health Education Coordinator

Upstate New York Poison Control Center

This session will provide a brief overview of the Poison Center, staff and services' an informative overview of the current and emerging drugs of abuse from a public education perspective.

3:15 pm to 4:15pm

Opioids: Treatment and Recovery Outlook

Presented by;

William DeJoy, LCSW-R

Clinical Director of Conifer Park

This training will provide a basic overview of some of the history of how we have arrived at today's "epidemic" and more importantly discuss treatment options for individuals and families fighting this battle. We will also look into the future of this problem and how\when it will ameliorate.
