Grand Rounds
Fall Training Calendar
2014

Tuesday, October 28, 2014

9:00am to 12:00pm

"Trauma; From Theory to Treatment"

Presented by:

William DeJoy, LCSW-R

Clinical Director of Conifer Park

This training will go through a variety of Trauma Theories that educate participants on how trauma is individually manifested. There will be discussion of the sources of trauma such as Childhood Abuse, Disasters, Shootings, and Grief. Individuals will learn how to identify the signs and symptoms of trauma. There will be time discussing the treatment techniques so that all of the information above can be employed in a way that promotes safety and trust in order to better help the traumatized person function at the highest level possible.
